CHARACTERS

Momozono Nanami is a high school girl who inherited the position as a God after she met Land God Mikage, who entrusted his rundown shrine to her. She became a full-fledged God after forming the familiar contract with Tomoe while being rescued by him. After Tomoe fell in love with Nanami, his repressed memories of the past returned and triggered the contract he made with a Fallen God. In order to meet Kuromaro and find a way to disable the contract, Nanami returned to the past! Over there, Nanami met Yukiji and became her substitute in the palanquin, but then she was abducted by Tomoe??

YUKIJI

She harbors hatred towards demons for destroying her past. She is married into a noble family.

FUR BALL

Underling of Akura-Ou, Tomoe's partner-in-crime. He failed to catch Nanami and is instead captured by Yukiji.

THAT'S A
HAIRPIN I
RECEIVED FROM
TOMOE.

IT'S MY
FAVORITE
...

GIVE IT
BACK.

THAT'S
NOT IT.

BECAUSE...

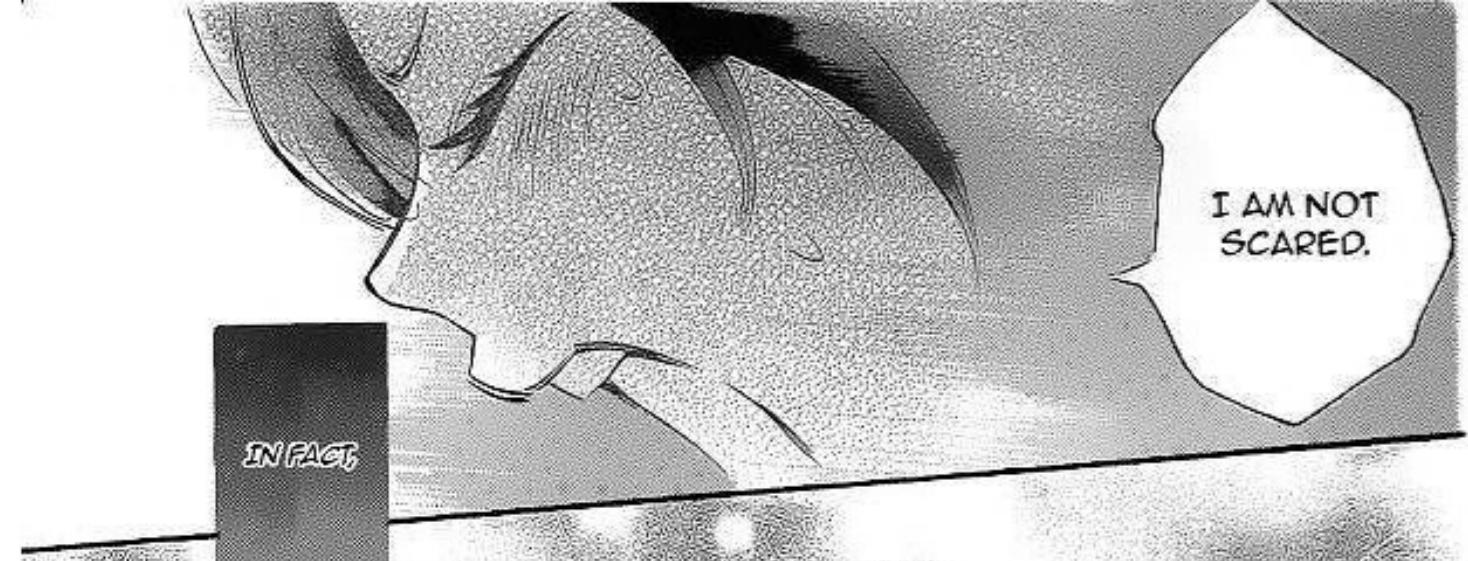

THAT IS
"MINE."

...AFTER
ALL,

...YOU KEEP
CRYING AND
GETTING
ANGRY.

*The kanji is the one for Nanami's name, but the furigana is 'jutashi' which, paired with 'no,' meant 'my' or 'mine' in English. The use of her kanji name may be Suzuki Julietta's way of showing how Nanami still has her sense of self despite being called and portraying Yuki.

I AM NOT
SCARED.

I REALLY
LIKE YOU.

I LIKE YOU.

BUT THE
PERSON IN
TOMOE'S EYES
RIGHT NOW...

IS NOT
ME.

NOT
ME...
